International Woman's day

International Woman's day was observed by the organization by conducting a meeting at Jamalpur on the issue of woman emancipation. Though the issue is well discussed in the books and many seminar, symposium are organized every year but the condition of woman remain at stake. That is why the theme of our meeting this year was the 'Voluntary Efforts and the Plight of Woman'. The issue was taken very seriously and the participants was of the view that despite of all the schemes and efforts made by voluntary and governmental organization the condition of woman remain same. The reason lies in the nature of schemes is of welfare not empowerment. The true empowerment will come when the woman are able to take their decision by their own will. The President Gyanendra Mishra emphasized on the group formation of women so that women empowerment can be strengthened. Rana yasmin, Suraiya Begum, Baby Rosy, Raheela, Upendra Mishra, Shakeela were among the speakers on the issue.

Financial Inclusion

In association with Shreyas Gramin Bank, State Bank of India and Dena Bank this year organization took participation in very important programme of Financial Inclusion. Due to the guidelines of RBI each and every bank has to open no frill account of marginalized section of society in their respective area through survey of all the families of that particular village and to find out the families without any account in any of the bank. These people had to convince to open an account in the bank so that they can be linked through bank. Under financial inclusion organization did survey of 13 areas for Shreas Gramin Bank, One for State Bank of India and some part of Aligarh Urban for Dena Bank. Nearly 200 villages and 8 urban sector were covered by the organization with the help of 125 volunteers from Gonda, Iglas, Chandaus, Gangiri, Bijauli and Dhanipur block.

Training on Handicraft Products

This year organization has taken very crucial initiative for women empowerment by starting Handicraft training to the SHG formed in Urban and rural areas. The training was in consonance with our commitment for the development of skills of adolescent girls and women in life skill activities. The organization started series of training on different skills of handicraft and the product so formed during the training programme was sale out which gave tremendous support to women.

Working with Mother Dairy Food Processing Ltd.

Another initiative was added in organizations account this year when we came in contract with Mother Dairy Food Processing Limited (MDFPL) for providing trained manpower to Mother dairy for their different milk collection centres in rural areas of Aligarh. The project was started in June last year when Mother Dairy also started work in Aligarh with very few field staff. At present there are 80 trained people of UDAAN Society who are providing support to Mother Dairy. The number is increasing with the passage of time and with the increase in collection centres of MDFPL.
